### Photoshop Elements

There is still one more late starting class at DACC this semester. This semester's session of Photoshop Elements starts this Thursday night at the DACC Mall office.

Photoshop Elements is a program that comes with many new digital cameras and scanners. It can perform many of the functions that the more expensive Photoshop CS5 or CS6 can do, but is more user friendly to amateur artists and photographers. The class will teach how to view and organize, fix, and enhance photos, and produce photo creations and composites.

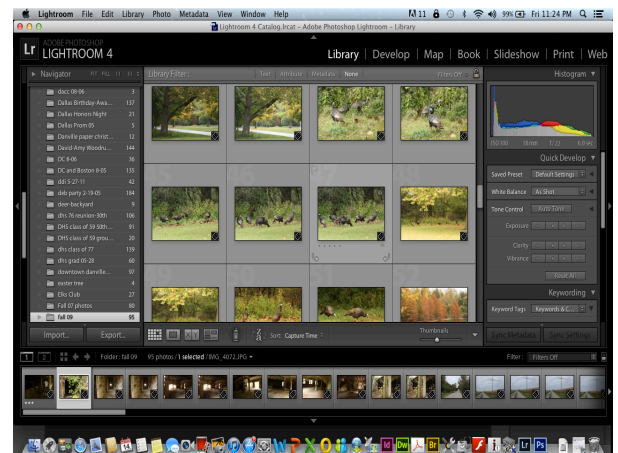

**Fall 2013 Class** - Thursday nights - 6-8:00pm,  
November 14 through December 12  
At the DACC Village Mall Office

**Spring 2014 Class** - Thursday nights - 6-8:00pm,  
April 17 through May 8  
At the DACC Village Mall Office

## Lightroom® – A New Digital Imaging Class Now Offered at DACC

Les Woodrum recently completed Adobe certified training in Adobe® Photoshop® Lightroom® 4 software and will offer a class at DACC this fall. Lightroom provides a comprehensive set of digital photography tools, from powerfully simple one-click adjustments to cutting-edge advanced controls. Create images that inspire, inform, and delight. Lightroom is becoming the photographer's choice program in sorting and cataloging their photo collections. Besides cataloging and editing your photos, there are many retouching and photo manipulations that can be performed with this rather inexpensive program.

**Class Schedule** - Tuesday nights 6-8:00pm,  
March 25 through April 15  
At the DACC Village Mall Office

## A Full Slate of Photography and Digital Imaging Classes Scheduled at DACC for Spring 2014

## Photography Tour to Yellowstone National Park

Castle Geyser

Sign up NOW for a photo excursion to Yellowstone National Park. The trip will be June 8 through June 15, 2014. Les Woodrum will lead the group and provide photographic instruction for participants.

Plans include a seven day-six night trip. Hotel accommodations will be in the park for six nights and one night will be spent in Jackson Hole, WY.

Sites will include all the major geyser basins, the Grand Canyon of the Yellowstone, The beautiful Hayden Valley, Yellowstone Lake and Mammoth Hot Springs area. The trip will also spend a day in the Tetons National Park.

Les Woodrum has photographed Yellowstone numerous times beginning in 1988 during the great Yellowstone Forest Fires. There will be opportunities to photograph both on your own and as a group. Nightly critiques and instructional sessions are included.

The price for the Yellowstone Excursion is \$2,500 per person. Price includes class fee, all transportation and lodging. To register for this trip, contact the DACC CC&E department at 217-554-1668 or email [lhensgren@dacc.edu](mailto:lhensgren@dacc.edu)

For more details about the trip, contact Les Woodrum at [lesw@woodrum-media.com](mailto:lesw@woodrum-media.com)

The trip will be limited to 10 participants, so sign up soon to reserve your spot. There will be an informational meeting where you can get all the details on this trip. During this meeting, Les will show you the sites you will see during the trip. Also, equipment needed, and all the details for the trip will be discussed. This informational meeting will be held February 3, 2014 at the DACC Village Mall office starting at 6:00 p.m.

## Photo of the Quarter

**Beech Trees in Woodrum Woods**

Sometimes, you realize you have to go no farther than your own back yard to take some good photos. Last weekend, I headed out into my own 5-acre back yard and came back with some excellent images.
