2013 Leslie A. Woodrum Calendar Now Available

The 2013 Photo Calendar featuring photos by Leslie A. Woodrum is now available. This year's calendar is titled "Illiana Images." The calendar features all color photos taken within a 100 mile radius of Danville, Illinois.

What's Inside:

2013 Calendar Available	1
2013 Tour to Yellowstone	2
Spring Classes at DACC	2
Southern Utah Tour	3
Digital Darkroom Services	3
Photo of the Quarter	4

The 2013 Calendar is available in two sizes. There is a 8½ x 11 wall calendar or an 8½ x 4 desk calendar that you can purchase. Because of the overwhelming success of last year's calendar, I am able to reduce the price to \$15.00 for the wall calendar or \$10.00 for the desk calendar.

This year, the calendars will be available for sale by contacting me direct or you can also purchase them at the Fischer Theatre Gift Shop at 158 N. Vermilion, next to the historic Fischer Theatre. The Fischer Theater Gift Shop is open Thursday thru Fridays from 10:00 a.m. to 3:00 p.m.

To purchase a calendar from Les direct, contact me at home - 1619 N. Bowman, Danville, after 4:00 p.m., call 217-443-4403, or e-mail Les at lesw@woodrum-media.com

Supplies are limited so order quickly. Last year's calendars sold out in only 10 days.

DACC to Sponsor Photo Excursion to Yellowstone National Park for Summer of 2013

Sign up NOW for a photo excursion to Yellowstone National Park. The trip will be May 25 through June 2. Les Woodrum will lead the group and provide photographic instruction for participants. Plans include an eight day-seven night trip. Hotel accommodations will be in the park for six nights and two nights will be spent in Jackson Hole, WY. Sites will include all the major geyser basins, the Grand Canyon of the Yellowstone, The beautiful Hayden Valley, Yellowstone Lake and Mammoth Hot Springs area. The trip will also spend a day in the Tetons National Park.

Les Woodrum has photographed Yellowstone numerous times beginning in 1988 during the great Yellowstone Forest Fires. There will be opportunities to photograph both on your own and as a group. Nightly critiques and instructional sessions are included.

The price for the Yellowstone Excursion is \$2,500 per person. To register for this trip, contact the DACC CC&E department at 217-554-1668 or email lhensgren@dacc.edu

For more details about the trip, contact Les Woodrum at lesw@woodrum-media.com

The trip will be limited to 10 participants, so sign up soon to reserve your spot.

Spring Photo and Computer Imaging Classes at DACC

Photography "THE BASICS"

This course of study introduces the student to: The use and handling of 35mm as well as digital cameras; a working knowledge of film

and digital imaging; the basic elements of a photograph; an understanding of lighting, both natural and artificial (flash); basic portrait lighting and posing; and the care, storage, and display of printed photographs as well as digital images.

Requirements: 35 mm camera and/or digital camera.

Class Schedule - Wednesday nights 6-8:00pm, February 27-April 24

At the DACC Clocktower - Room 101

Digital Photography

Traditional film is almost a thing of the past. This workshop will emphasize digital photography techniques, explain digital photography terms, camera operations and settings, basic photo manipulations, and file management of digital images.

Class Schedule - Tuesday nights 6-8:00pm, January 15-February 5

At the DACC Lincoln Hall, Room 218

Dreamweaver

Learn how to make a basic website using one of the most powerful web authoring programs available. In this workshop, you will learn how to construct basic web pages, templates and graphics, make links and publish the web site.

Class Schedule- Thursday nights - 6-8:00pm, January 17-February 7

At the Village Mall DACC Office

PHOTOSHOP

This class will introduce you to the basics of working with Photoshop CS-5.1 for retouching photographic images.

Students will be able to use techniques for selecting images in order to edit and retouch images, and prepare images for inclusion in a website or for printed documents. Students will be able to edit images using the painting tools, clone stamp and drawing

they will be able to create new images using the pen tool and the drawing and painting tools. Participants will be able to create and edit images using layers and make photo composites and montages.

Class Schedule- Tuesday nights 6-8:00pm,
February 12-March 5

At the DACC Village Mall Office

Photoshop Elements 8.0

Photoshop Elements is a program that comes with many new digital cameras and scanners. It can perform many of the functions that the more expensive Photoshop CS3 or CS4 can do, but is more user friendly to amateur artists and photographers. The class will teach how to view and organize, fix, and enhance photos, and produce photo creations and composites.

Class Schedule - Tuesday nights - 6-8:00pm,
April 2-23

At the DACC Village Mall Office

PHOTOGRAPHY: "Photo II - Intro to Professional Photography"

This course of study introduces the student to the basics of studio and commercial photography. Classes will explore photojournalism, studio photography, commercial advertising photography and scenic art photography. Weekly photo assignments and photo critiques are a part of the curriculum. A camera, either digital or film is required.

Prerequisite - Photography I, "The Basics" or permission of the instructor.

Thursday nights, 6:00-8:00 p.m.

February 28-April 25

Classes at DACC Village Mall Office

To enroll in any of these classes offered through Danville Area Community College, contact the Community Education department at (217) 477-0603 or (217) 443-9114.

Deadline for registration is one week prior to the starting date of each class.

Tour being Planned to Southern Utah in Fall of 2013

In conjunction with premier landscape photographer and Danville native Dick Cunningham, a photo tour of southern Utah is being planned for October, 2013. The tentative date October 19-26, 2013. Dick's panoramas of the west are fantastic. Dick and I are still working out the exact dates and details, but if you are interested, contact Les at lesw@woodrum-media.com for more information.

Digital Darkroom Services Now Available at Woodrum-Media

We now have a large format printer with the ability to produce photos up to 24 inches wide. So now, Woodrum-media can offer digital darkroom services to produce the highest quality images from your digital files. Currently, we are offering photo quality enlargements, but if there is the demand, we will also soon start producing Giclee prints and paper choices of photo quality, canvas or watercolor archival paper. To print out the current prices for digital lab services, go to <http://www.woodrum-media.com/images/lab%20prices.pdf>

Lab Service time for all Digital Services - 24 hours

- ◆ All digital package prints and enlargements produced on Epson Ultra Premium Luster photo paper utilizing Epson Claria or Epson Ultra K-3 ink, which has an archival life of 98 to 198 years. Proofs are made on Epson glossy surface paper.
- ◆ Custom black & white processing and printing services also available.
- ◆ Scanning from color film negatives or transparencies and digital printing also available.

Photo of the Quarter

Upper Cataract Falls ©2012

One thing about teaching photo classes is that I learn as much from my students as hopefully I teach them. This quarter's photo resulted from me seeking out a location after seeing photos from DACC student (and former neighbor) Joyce Richter. I have visited this site a few times since she brought her photos to a DACC class a couple of years ago.

Camera - Bronica Sq-a, 80mm lens, Velvia 50 Transparency Film,
Exposure - 1/15 sec. at *f*/16 - scanned transparency using a Canon
8800F Canoscan Scanner.
